BUYER'S LEGAL DUTY TO EXERCISE REASONABLE CARE

California law requires Buyer to exercise reasonable care to protect himself/herself, including the evaluation of those facts which are known or within diligent attention and observation of Buyer (Civil Code Section 2079.5). Under this statute, Broker also has a responsibility to disclose to Buyer any conditions that would affect the value or desirability of the property Broker may have observed while conducting a diligent visual inspection of the accessible areas of the property.

Seller may not be aware of defects that may exist in the property. It is Buyer's responsibility to investigate the property. The disclosures in this Addendum are made by Seller and not by Broker. However, Broker is required to make a reasonably competent and diligent visual inspection of accessible areas, and to disclose to prospective purchasers all known facts affecting the value and desirability of the property (see Parts III and IV of the Real Estate Transfer Disclosure Statement). Buyers should refer to Buyer's Election of Inspections form (BEI) for further inspection explanation.

Buyer is advised to obtain professional inspection on the condition of the property. Each Buyer looks at a house differently: what may concern one person may be perfectly acceptable to another. Therefore, the Real Estate Transfer Disclosure Statement, Seller Property Questionnaire, and this Addendum do not in any way relieve Buyer from Buyer's responsibility to make an independent diligent inspection of the property, to hire all necessary inspectors, to provide these inspectors with Real Estate Transfer Disclosure Statement, Seller Property Questionnaire, and this Addendum, and to ask questions that may be pertinent to ensure an informed decision.

ALL INSPECTIONS AND REPORTS should be undertaken by qualified, licensed trades people and/or professionals. Buyer should review all inspection reports with the person who performed the inspection.

For any special consideration such as schools, allergies or other health problems, or for religious or cultural concerns that relate to the property, it is Buyer's responsibility to ask Seller and/or otherwise independent satisfy himself/herself about the property as it relates to these considerations.
